Project Details

Austin Fraser is an established international recruitment consultancy that actually consults. We're here to listen and advise, and ultimately, to help organisations perform better. We believe in being open and transparent with clients and candidates, only putting the right people forward for the right job, saving everyone concerned time, hassle and money.

Launched in 2007, we have thriving offices in Reading, UK; Munich, Germany and Austin, Texas. Specialising in engineering, IT and life sciences recruitment, we make it our business to understand these industries inside out, keeping up with current trends and developments whilst maintaining extremely high-quality networks.

We have delivered successfully for the following technologies :

Outsourcing & RPO Industry clients:

- Recruitment & Staff Augmentation
- Resourcing Augmentation
- Workforce Planning
