Project Details

Global leader in digitally-powered business process management and services. We architect the Lean DigitalSM enterprise through our patented Smart Enterprise Processes (SEPSM) framework that reimagines our clients' operating model end-to-end, including the middle and back offices. we have been passionately serving a few hundred strategic clients including one-fourth of the Fortune Global 500 and have grown to over 70,000 people in 25 countries, with key offices in New York City

Genpact began in 1997 as a business unit within General Electric. In January 2005, Genpact became an independent company to bring our process expertise and unique DNA in Lean management to clients beyond GE, and then in August 2007, we became a publicly-traded company (NYSE: G)

We have delivered successfully for the following technologies :

BPO & ITES Industry clients:

- Outsourcing Projects
- Application development technologies
- Networking & Infrastructure
